TECHNISCHE MITTEILUNG
TECHNICAL NOTE

Nr: 205-2e

Reference: Sailplane model Club Libelle 205
German Data Sheet No. 304, all Serial Numbers

Subject: Fuselage front main bulkhead

Reason: Improvement of production

Urgency: None; Modification optional

Method: The fuselage front main bulkhead above the front wing supporting tube according to drawing No. 205-10-2 has a modified shape. The rigging hatch on the fuselage back to insert the rigging tool is omitted. The rigging tool according to drawing No. 205-60-3 is replaced by the new tool according to drawing No. 205-60-4.

Material: According to drawing

Center of Gravity: No change

Weight: No change

Remarks: This Technical Note is standard for Serial Number 14 and from Serial Nr. 18 and on. Subsequent modification must be carried out by the manufacturer.
